DETAILED ACTION

This office action is in response to the amendment filed August 30, 2007. Currently, claims 1-10, 12-31, 33-35, 37-43, 45, 46 and 49-53 are pending. Claims 1, 16, 19, 24, 33, 35, and 37-41 are amended. Claims 11, 32, 36, 44, 47, and 48 are cancelled.

Claim Objections

1. Claims 19, 24, and 35 are objected to because of the following informalities:

Claim 19, lines 2-4, "wherein the first and second handle portions that can separate to deploy the flexible sheet" should be removed from the claim.

Claim 24, line 12, "second handle that separate" should be replaced with -- second handle portions that separate --.

Claim 35, line 6, "deploy a deployable" should be replaced with -- deploy the deployable --.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-10, 12-31, 33, 34, 41-43, 45, and 46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In regards to claims 1-10, 12-31, 33, 34, 41-43, 45, and 46, the claims make mention to deployable reaction surfaces being components of the airbag module, where the airbag module is clearly a separate component from the steering wheel. Also the claims mention trim covering and contacting the deployable reaction surface, the specification does not appear to support this assertion.

Art Unit: 3616

In regards to claims 24, 33, and 41, in the last 2 lines of the claims, "the deployable reaction surface" should be replaced with -- a deployable reaction surface --, so as to avoid lack of antecedent basis.

Examiner suggests a careful revision of the claims.

Allowable Subject Matter

4. Claims 35, 37-40, and 49-53 are allowed.
5. Claims 1, 24, 33, and 41 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
6. Claims 2-10, 12-23, 25-31, 34, 42, 43, 45, and 46 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
